### Profile

My experience started in 1999 in the Egyptian market as linear & non-linear editor before I reached 18 years old. Later on, I worked as an instructor in certified educational centers for many professionals working currently in the Egyptian & Kuwaiti markets. Moreover I worked as a finishing artist for different TV stations and private studios. I also had the opportunity to work as a freelancer finishing artist in Cairo, Dubai, Larnaca, Istanbul and Kuwait.

I currently work as demo artist for ASSMILATE SCRATCH in the Middle East/North Africa.

And working for the Media zone of Abu-dhabi known as Twofour54.

### Brief work experience
